How the Freemasons Rule the World

Written by Mike Akpan
Monday, 17 November 2008

Freemasons rule the world. This assertion appears controversial but the facts are revealed in a recent book on Freemasons written by H. Paul Jeffers. In the book titled: Freemasons: Inside the World's Oldest Secret Society, Jeffers states that most of the Freemasons who are the movers and shakers in various fields of endeavor, live in the United States of America, USA.

In his extensive research on the more than 400 year-old secret craft, Jeffers has found out that out of the 5.9 million estimated population of Freemasons worldwide, 4.1 millions live in the USA and Canada. The remaining 1.1 million Freemasons live outside the two North American countries,

In the book, Jeffers refers to the United States as a Masonic project. His findings revealed that many of the founding fathers of the country were high degree masons. For instance, **of the 56 persons who signed the Declaration of Independence document in 1778, 15 of them or 27 percent were Masons.** Among them were Benjamin Franklin, John Hancock, Joseph Hewes, William Hooper, Robert Treat Payne, Richard Stockton, George Walton and William Whipple. Others were Elbridge Gerry, Lyman Hall, Thomas Jefferson, Thomas Nelson Jr. John Renn, George Read and Roger Sherman.

Jeffers has also found out that **28 of the 40 signers of the USA constitution** were high degree Masons. They included Franklin, George Washington, Gunning Bedord, Jr. John Blair, David

Brearily, Jacob Broom, Daniel Carrol, John Dickinson and Rufus King. The rest were Alexander Hamilton, Abraham, Baldwin, William Blount, Nicholas Gilman, James Madison, Roger Sherman, George Read and Robert Morris. Jonathan Dayton, James McHenry and William Patterson who were also signers of the constitution, became Freemasons later.

From his extensive research, Jeffers has come to the conclusion that Freemasonry was at the heart of the American Revolution. **More than 50 percent of the generals who fought and won the war of American independence from Britain were Freemasons.** That explains why Freemasonry has continued to have an overwhelming influence in the government and politics of the country ever since.

The national anthem of the USA has a Masonic input because Francis Scott Key, the man who wrote it, was a high degree mason. Noted Jeffers: **“Freemasonry has become the cornerstone of the United States government.** Masonic link evidences abound despite disputations by some historians. Masonic signs and symbols are everywhere in government. **For example, the Great Seal of the United States and the street plan as well as designs of federal government buildings in Washington DC were laid out on the basis of Masonic beliefs.** The symbol of an inverted triangle or pyramid can be seen in the street plan and the sites are connected to famous Freemasons such as Marquis de Lafayette, after whom a park opposite the north side of the White House is named. **The Washington Monument and the Pentagon building were designed by Masons to conform to a Pentagram which is an occult symbol.”**

“The Washington Monument lies on a straight line, precisely 900 West of the Capitol. The Washington Monument(left) is the most important Presidential monument to the occultist, because it is an obelisk set inside a circle. What, you are probably saying, What is an obelisk? An obelisk is a tall, four-sided stone pillar tapering toward a pyramidal top.

The obelisk is critically important to the occultist because they believe that the spirit of the ancient Egyptian sun god, Ra, resided in the obelisk.

Thus, the obelisk represents the very presence of the sun god, whom the Bible calls Satan.

There are four major obelisks that were erected by Freemasons in the 19th century.

The first obelisk was brought to France from Thebes, Egypt, and was placed in Paris's Revolution Square the site of mass public guillotining during the Mason lead Bloody French Revolution.

The second obelisk was brought to England from Alexandria, Egypt, and was placed next to the Thames river in London.

The third obelisk was brought to America in 1881 from Alexandria, Egypt, and was placed in Central Park in New York City.

The fourth obelisk is the Washington Monument, built to commemorate our First President, George Washington (who was a Free Mason). In light of the symbols which we have just studied, which have been built into the layout of Government Center. The Washington Monument was constructed by Masons, according to Masonic tradition, as a symbol that this country was controlled by Freemasonry from the very beginning.

The Washington Monument was constructed to honor the first Masonic President, was designed so that both the White House and the Capitol face toward it so that the leaders of both branches have to face the spirit of Lucifer thought to be residing in it. This is typical occultism.

One final interesting note. We reported earlier in this article that the Washington Monument obelisk was placed directly on a straight line, precisely 900 West of the Capitol. Thus, the inhabitants of the Capitol could face the obelisk daily. However, note that the Washington, D.C., obelisk does not lie in a straight line 900 South the White House. Why? Because it was lined so that it lies in a straight line 900 from the House of Understanding, the headquarters of Freemasonry!! In the mind of the occultist, the true political Administrative power resides in this Freemasonry headquarters, not in the White House. This is why President Andrew Johnson considered himself to be the subordinate to Albert Pike, the leader of North American Freemasonry! <http://www.freemasonrywatch.org/washington.html>

That was not all. Continued Jeffers: "The US one dollar note contains Masonic symbols. The Great Seal pictured on the back of the dollar bill has an eagle with 32 feathers (the degrees in Scottish Rite Freemasonry.) The arrows in its left talon refer to Israel's King David (father of Solomon). The olive branch in the eagle's right talon is associated with Solomon. The 13 stars above the eagle's head represent Jacob, his 12 sons, and the tribes of Israel. Thirteen stars, in a double triangle form are symbolic of the delivery of the children of Israel from their oppressors and their attainment of a glorious freedom. The Latin "E Pluribus Unum" (Out of Many, One) indicates the Masonic fraternity."

From a Freemasonic Source we read: "Among those who helped design the Great Seal of the United States the following are known to have been Masons: Benjamin Franklin, Thomas Jefferson, William Churchill Houston, and William Barton. When an informed Mason examines the Great Seal here is what he sees:

On the obverse is an eagle whose dexter wing has thirty-two feathers, the number of ordinary degrees in Scottish Rite Freemasonry. The sinister wing has thirty-three feathers, the additional feather corresponding to the Thirty-Third Degree of the same Rite conferred for outstanding Masonic service. The tail feathers number nine, the number of degrees in the Chapter, Council, and Commandery of the York Rite of Freemasonry. Scottish Rite Masonry had its origin in France; the York Rite is sometimes called the American Rite; the eagle thus clothed represents the union of French and American Masons in the struggle for Liberty, Equality, and Fraternity. The total number of feathers in the two wings is sixty-five which, by gematria, is the value of the Hebrew phrase YAM YAWCHOD (together in unity). This phrase appears in Psalm 133 as follows: "Behold, how good and how pleasant it is for brethren to dwell together in unity," and is used in the ritual of the first degree of Freemasonry. The scroll in the eagle's beak, bearing the words E PLURIBUS UNUM (of many one) reminds him also of the unity which has made brothers of many.

On the reverse, is the All Seeing Eye within a triangle surrounded by a golden glory. Besides the obvious Masonic significance of this design, it has a cabalistic value of seventy plus three plus two hundred, equaling two hundred and seventy-three which is the value of the phrase EHBEN MOSU HABONIM (the stone which the builders refused) familiar to all Royal Arch Masons. It is also the value of the Hebrew proper noun HIRAM ABIFF, the architect of Solomon's Temple and the principal character of the legend used in the Master Mason degree.... The triangle also represents the capstone of the unfinished pyramid and reminds the Mason of the immortality of the soul and that in eternity

he will complete the capstone of his earthly labors according to the designs on the trestle-board of the Supreme Architect of the Universe. The blaze of glory found on either side of the Great Seal cannot fail to remind the Mason of the Great Light in Masonry which is the rule and guide to faith and practice and without which no Masonic lodge can exist. It reminds him that only more light can dispel the pall of ignorance in which he stumbles until he enters the Celestial Lodge where all light is given.

According to Jeffers, those who find Freemasonry on the mighty dollar also note that the largest symbol on the buck is the portrait of George Washington, a Mason. Cited as evidence of Freemasonry on the greenback is an unfinished pyramid. At the top, inside a radiant triangle is the all-seeing eye" representing "the Grand Architect of the Universe," who is omniscient and watching the United States. "The Latin Motto: 'Novus Ordo Seclorum' (New Order of the Ages) inscribed beneath the pyramid in the Great Seal of America is suspected to be synonymous with a "new world order," the author explained.

Jeffers also explained: "The statue of Liberty is a Masonic goddess from top to bottom. The statue is said to have been conceived by Freemasons and built by Frederic-Auguste Bartholdi; a French Freemason, who had already made a statue of de Lafayette for the city of New York, for the occasion of the centenary of the signing of the Declaration of Independence and installed by Freemasons in a Freemasonry ceremony."

In view of the overwhelming influence of Freemasonry in the American society, it is no surprise that Freemasons have dominated politics in the US. **Out of the 43 presidents that have ruled America from 1789 to date, 25 of them were Freemasons.** Among them was George Washington, who was installed the first president of the country in 1789. He was initiated in November 1752 into Frederickburg Lodge N0.4, Frederieckburg, Virginia. **He is the first and only Freemason to serve simultaneously as a lodge master and president.**

Other presidents who were known Freemasons were James Monroe, Andrew Jackson, James K. Polk, James Buchanan, Andrew Johnson, James A. Garfield, William McKinley, Theodore Roosevelt, William Howart Taft, Warren G. Harding, Franklin D. Roosevelt, Harry S. Truman, Gerald R. Ford, Lyndon B. Johnson and Ronald Reagan. (See Table A for details).

Freemasonry has also produced people who served as vice-presidents, secretaries of state, chief justices and justices of the Supreme Courts at the centre and in the states. (See Table B & C for details).

The security agencies were not left out. Very many Freemasons have occupied the top hierarchies at various times. Jeffers found out in the course of his research, that all the security agencies have Freemasonry lodges in-house. The legislatures at the federal and state levels have also felt the strong influence of Freemasonry over the years. So also are the executive arms of government in the states.

This is how Jeffers put it. "The involvement of Freemasons in the government of the Republic of Texas is found in the fact that all of its presidents were Masons, as were all its vice-presidents. The lowest percentage of Masons who had held executive positions in any of the four administrations was 85 percent. In the last administration that carried Texas into the Union, all those in executive positions in the government of the republic were Masons."

Outside government, Freemasonry also pervades the professions, arts and culture of the people. Garry A. Henningsen, past grand master and secretary, New York State Grand Lodge of Masons chose to say it this way: "Human imagination has always thrived in Freemasonry. We have enticed to our fraternity, artists, poets, warriors, inventors, manufacturers, explorers, pioneers, lawyers, government leaders, business tycoons, clergymen, astronauts, scientists and gentle-everyday family men made better because of their association with and love of our beloved Craft. It has been so from the very beginning," (See Tables below).

Henningsen is right. Freemasonry has attracted to its fold, eminent personalities such as Bill Gates, a philanthropist and chairman of Microsoft who is reputed to be the third richest man in the world, Henry Ford, a pioneer automobile manufacturer, and astronauts who have become famous as a result of their space missions. Among such great names are Edgar D. Mitchell, the sixth person to walk on the Moon surface, John Glenn, the first American to orbit the Earth in 1962, Leroy Gordon Cooper, the astronaut who made record breaking flights in Mercury 7, Mission in 1963 and in Gemini 5, in 1965. Virgil Grisson, a Mason astronaut, undertook the first manned maneuver in space in 1965 while James Benson Irwing along with three others, piloted the Lunar module "Falcon" on Apollo 15 Mission in 1971 and spent nearly 67 hours on the Moon surface.

Freemasonry is also known as "**The Craft**".

In South Africa where the country's parliament is said to be located on a Freemasonry land, Nelson Mandela, the former president is on record as a member. The record shows that he was initiated into black obedience of American Freemasonry called Prince Hall. Kofi Annan, immediate past secretary general of the United Nations, is a prominent Freemason.

Adewale Thompson, a high degree Mason and a high court judge in Oyo State, captured the under current that prompted the decree in his recent book titled: "Masonic Experience." "Somehow some new converts into christianity aided and abetted by some organisations of questionable motives began an orchestrated persecution of Freemasons which they included in their definition of " Secret societies."

Not all the Christian churches accepted the definition of Freemasonry as a secret society. This is how Thompson reported it: "During this period, the Right Reverend F.O. Segun, Anglican bishop of Lagos, stood up in Lagos diocese to address his flock. He told them that he was not a Freemason, but that in Freetown he had lived in the home of Freemasons whom he knew to be the best exponents of christian virtues. He then warned that those priests who must have come from the hinterlands and have not had the exposure of travelling out to meet 'men of the world' should exercise restraint in denouncing Freemasons, whom he knew in Freetown and in the Lagos diocese to be great supporters of the church in every respect or face the penalty of being unfrocked."

See excerpt below from: **CORRESPONDENCE WITH A MAN WHO THINKS PEOPLE SHOULD BE MORE POSITIVE ABOUT THE SOUTHERN BAPTIST CONVENTION**

*Further, the **Southern Baptist Convention is infiltrated from top to bottom with members of the pagan Masonic Lodge.** Of the 3.5 million Masons in the U.S., 1.3 million are Southern Baptists. Fourteen percent of SBC pastors and 18 percent of deacons are Masons (Calvary Contender, June 1, 1993). Jerry Huffman carefully summarized the spiritual abomination of the Masonic Lodge: "Freemasonry is a secret society of six million members worldwide. It often claims it is not a religion, but its writings say it is. It teaches that Jesus is not God. It has worship and funeral services, and places the Koran and 'holy books' of other religions on the same level as the Bible (Calvary Contender, May 1, 1992). The Scottish Rite Journal in February 1993 stated that "Masons believe in the Fatherhood of God and the Brotherhood of man..." (An excellent publication that documents the heresies of Freemasonry is *The Masonic Lodge: What You Need to Know: Quick Reference Guide* by Ed Decker, published by Harvest House Publisher, Eugene, OR 97402.)*

Southern Baptist physician Dr. James Holly, who led the unsuccessful attempt to root Freemasonry out of the SBC in the 1990s, said, "Southern Baptists have become the first Christian denomination that essentially blesses the Masonic Lodge" (Christian News, Dec. 20, 1993).

Across the length and breadth of the land there are unrepentant moral reprobates and heretics on the rolls of Southern Baptist churches. Famous Southern Baptists like Billy Graham (a closest freemason, who believes in infant baptism, denies the literal fire of hell, and turns his converts over to spiritual wolves), Jimmy Carter (who accepts liberal theology and says Mormons are true Christians), and Bill Clinton (a sexual predator who lies under oath and obstructs justice), disobey the Bible but are not disciplined. More than a million Freemasons, who are yoked together with idolatrous organizations in disobedience to 2 Corinthians 6, are members of SBC congregations.

Opponents of Freemasonry are equally many and powerful. Several documents have been published to discredit it. Some of the documents describe the Brotherhood as "the single largest vehicle for the perpetuation of the Luciferic consciousness on Earth. In their joint publications titled: *The Brotherhood and the Manipulation of Society*, Ivan Frazer and Mark Beeston write: "The basic recruitment of members to further the elite's plan is through the secret society network of Freemasonry... the latest incarnation of the Catholic/military order known as Knights Templars who gained staggering riches and a wealth of esoteric knowledge during the Crusades, in which the 'righteous' Catholics were dispatched to the Holy Land with a free reign to slaughter the Jews and Moslems in a series of campaigns between the 11th and 13th centuries."

Another allegation which critics level against Freemasonry is that progress beyond the first three degrees by members is at the pleasure of the elites who also impose stiff penalty on any member who divulges the secrets of the Order.

The authors of the *Brotherhood and Manipulation of Society* state: The vast majority of the members are on the first three rungs of the 33 levels hierarch have no idea of the hidden agenda, they take a pledge of allegiance "to the society above all else." Most initiates are willing to do this because of the temptation of power, wealth and knowledge which (are) hard to refuse."

They concluded: “At the apex of the pyramid of the Brotherhood,” these “select few” who know “the full agenda have become known as the illuminati (Latin for illuminated ones). All powerful, they “occupy all top level members of the police and military forces around the world. They are found in every area of society at all levels, but at the top, in the highest social and monetary bracket, the Brotherhood prevails...The Brotherhood owns the law, they own the military, they own the oil companies, pharmaceutical companies and just about everything which provides for the status quo.” Associated with this belief is that the Freemasons have a secret plan to control the world through the political and economic domination of the USA.

The new world order, according to Masonic opponents, is the same as the Masonic / New Age ideal of Man’s divinity and self transformation in which one must awaken to the notion that “we can be as God.” They argue that Freemasonry practices the ancient mysteries of Egypt with the goal of their re-instatement in the world order. To bolster this argument, anti-Masons always refer to a quotation by W.L. Wilmschurst in 1927 in his book titled In the Meaning of Masonry. “In this new Aquarian age, when many individuals and groups are working in various ways for the eventual restoration of the mysteries, an increasing number of aspirants are beginning to recognize that freemasonry may well be the vehicle for this achievement... (a Mason begins his career) as the natural man; he ends it by becoming through its discipline, a regenerated man... This, the **evolution of man into superman** – was always the purpose of the ancient mysteries, and the real purpose of modern Freemasonry is, not the social and charitable purpose to which so much attention is paid, **but the expediting of the spiritual evolution of those who aspire to perfect their nature and transform it into a more god – like quality.**”

Reported by Anthony Akaeze and Andrew Airahuobhor.

BLOOD OATHS—MASONIC DOCTRINE

Blood oaths on penalty of mayhem and violent death are administered at the end of initiation into all Masonic degrees, binding the initiate to protect the “secrets” of the degrees. These oaths of obligation are considered unbreakable, and are (collectively) the thing that makes a man a Mason. In this way, these oaths are the cornerstone of Masonry. **[H: Now, chelas, when you go forth and ask a Mason if these statements are correct and he says “of course not” and “no, that is stupid”—remember: HE “MUST ABSOLUTELY LIE ABOUT IT—it is part of his OBLIGATION.” But in his heart and soul answerable unto GOD, HE WILL KNOW THE TRUTH OF IT!]**

(1) QUESTION: What makes you a Mason? ANSWER: My obligation. (Question and answer from the Entered Apprentice/First Degree)

(2) “... binding myself under no less a penalty than that of having my throat cut from ear to ear, my tongue torn out by its roots, and with my body buried in the rough sands of the sea, a cable’s length from the shore, where the tide ebbs and flows twice in twenty four hours...” (Oath-1st Degree)

(3) “...binding myself under no less a penalty than that of having my left breast torn open, my heart plucked out, and given to the beasts of the field and fowls of the air as a prey...” (Fellowcraft/Second Degree)

(4) “...binding myself under no less penalty than that of having my body severed in twain, my bowels taken out and burned to ashes, the ashes scattered to the winds of heaven...” (Master Mason/Third Degree)

(5) “...In willful violation whereof may I incur the fearful penalty of having my eyeballs pierced to the center with a three-edged blade, my feet flayed and I be forced to walk the hot sands upon the sterile shores of the Red Sea until the flaming Sun shall strike me with a livid plague, and may Allah, the god of Arab, Moslem and Mohammedan, the god of our fathers, support me to the entire fulfillment of the same” (from the oath of obligation). Ancient Order of Nobles of the Mystic Shrine (Shriners).

From the above “Blood Oaths” taken, we can now understand why Masons never talk about their “religion” to profane (non-Mason) persons! Who becomes a Mason? Your next door neighbor—the man down the street, City Fathers, Attorneys, Judges, policemen, school teachers, some preachers, legislators, congressmen, and yes—**lots of Presidents!**

To receive the 33rd Degree the Mason must go to Washington D.C. to be **honored**. Since most (if not all) Judges and “Prosecutors” are Masons, we can now understand why “brother” Masons are seldom (if ever) convicted of a crime. This can be attributed to the following oath: “You must CONCEAL ALL THE crimes of your brother masons...and should you be summoned as a witness against a brother Mason be always sure to SHIELD HIM... It may be PERJURY to do this, it is true, BUT YOU’RE KEEPING YOUR OBLIGATIONS.” (Ronayne, Handbook of Masonry, p. 183)

This sad story relates one way in which America turned against God, threw Biblical prayer out of its Public Schools, and relegated God to our hidden back room. And, surprise of all surprises, Freemasonry led the way in this national spiritual rebellion! This is a story told by a former 32nd Degree Mason and Knights Templar, Dr. J.W. Stansell, now a Born Again Evangelist.

When we finish this story, you will sense the awful Luciferian spiritual leadership which Freemasonry has exerted in order to politically and spiritually lead this once-great nation into the spiritual Abyss.

Masonic Leadership In Throwing Prayer and God Out of Public Schools

The New York education system had adopted a school prayer to be said before the start of each days' classes. This prayer promoted good moral character, provided spiritual training and helped combat juvenile delinquency. The regents wrote a school prayer that was non-sectarian or denominational. In fact, it was so bland that it became known as the 'to whom it may concern prayer'.

Here is that prayer. You can judge for yourself.

"Almighty God, we acknowledge our dependence upon Thee and we beg Thy blessings upon us, our parents, our teachers and our Country"

However bland as this prayer was to most people, it proved to be offensive to the Supreme Court. On June 25, 1962, in the Engel vs. Vitale case, the U.S. Supreme Court ruled 6-1 that the prayer practice violated the Establishment Clause of the First Amendment. Justice Felix Frankfurter and Justice Byron R. White did not vote in this case. Out of the remaining seven Justices, the following six voted against this simple, innocuous prayer.

* Earl Warren

* Hugo L. Black

* Thomas C. Clark

* William O. Douglas

* William J. Brennan, Jr.

* John M. Harlan

Only Justice Potter Stewart dissented.

Now, here is where this historic tragedy gets really interesting.

Four out of the six Justices who voted against this prayer and, therefore, voted God out of the Public School System were Freemasons! These Masonic Justices were:

* Earl Warren - Sequoia Lodge #349, Oakland, CA

* Hugo L. Black - Raised in Ashland Lodge #356, Ashland, AL who later became a life member of Birmingham Temple Lodge #636, Birmingham, AL.

* Thomas C. Clark - Washington Lodge, #117, Dallas, TX

* William O. Douglas - Mt. Adams Lodge #227, Yakima, WA

Because of the Supreme Court's decision in 1962 and 1963, prayer in assemblies was banned in all American public schools, eventually leading the way to banning the Holy Bible, as well. So, to reiterate, what did the Masons accomplish in 1962? They kicked God out of America's public schools. I want you to really think hard and long about this reality and then re-read the Bible verses at the beginning of this expose'.

Before Masons voted to remove prayer from schools, polls among educators listed the top offences in public schools. They were:

* Chewing gum

* Making Noise

- * Running in the halls
- * Getting out of turn in line
- * Wearing improper clothing
- * Not putting paper in wastebaskets

But, after prayer was thoroughly removed from public schools, polls among educators listed the top offenses in public schools. They now are:

- * Rape
- * Robbery
- * Assault
- * Burglary
- * Arson
- * Bombings
- * Murder
- * Suicide
- * Absenteeism
- * Vandalism
- * Extortion
- * Drug abuse
- * Alcohol abuse
- * Gang warfare
- * Pregnancies outside marriage
- * Abortions (Murder within the womb)
- * Venereal disease

Additionally, SAT scores have steadily declined since 1962.

The banning of prayer in assemblies also affected our families. Stability existed within the family during the years in which students prayed daily for their families. However, since praying for families was banned, horrific disaster has American families.

- * Divorce skyrocketed upward almost 120%
- * Single parent families increased 140%
- * Unmarried couples living together increased over 350%
- * Adultery increased nearly 300%

Freemasonry Officially Admits That The Luciferian All-Seeing Eye Symbol On The Back of the One Dollar Bill Is Masonic!

Subtitle: After years of denying that symbol of the All-Seeing Eye hovering over the pyramid on the One Dollar Bill is in any way, shape, or form Masonic, official Masonry is now bragging to their members that this is precisely the case!

Shown above are the two new Masonic 'World Conference' Commemorative coins. The unfinished pyramid, of course, is copied directly from the symbols on the back of our One Dollar Bill. Let us see what official Freemasonry is saying about these symbols.

NEWS BRIEF: ["Own a Limited Edition World Conference Commemorative Coin Today!"](#), Freemasons of the Nation's Capitol, March 28, 2008

"Now is your chance to own a piece of Masonic history. For the first time ever, the World Conference of Grand Lodges is being held in Washington D.C. This limited edition coin made of fine silver is a delight for collectors and historians alike, with details of the World Conference

logo on one side and the much talked about "Novus Ordo Seclorum" and unfinished pyramid, as seen on the back of the U.S. one dollar bill, on the other. Don't miss this opportunity!"

Notice carefully the meaning behind this first sentence:

"Now is your chance to own a piece of Masonic history."

In this one sentence, Freemasonry admits that the Pyramid Symbol on the back of our One Dollar Bill are Masonic 'history'! What is the significance of this admission? You see, Masonry has officially and consistently denied to outsiders that these symbols had anything to do with Freemasonry. Now, in one sentence, they have admitted that they were lying all along, and that this symbols are, indeed, Masonry.

Carefully compare the Masonic Commemorative Coin, above, with the real symbol on the back of the One Dollar Bill. You will notice right away that the one major difference is that the All-Seeing Eye in the official version has been replaced by the standard Masonic symbol of the Compass and the Rule, with the Masonic "G" in the place of the eyeball!

This change demonstrates that Freemasonry is admitting that their organization is Satanic, because we prove, below, that the All-Seeing Eye originated from the Egyptian Mysteries Religion and represents Horus, who is Lucifer!

Let us now focus on this Pyramid Symbol, for it is truly pregnant in meaning!

Please turn the American One Dollar Bill over to the back side so we can study the symbol on the left, called the Obverse of the Great Seal. This unfinished pyramid with the Eye of Lucifer hovering over the Old World Order, is ready to bring about the change to the New World Order. This symbolism dates back through Freemasonry to the Egyptian Satanic Mysteries, the religion God cursed when He lead Moses and the children of Israel out of bondage!

Let us allow Doc Marquis, former Illuminist Satanist, explain this symbol. You will see that the symbol is highly Satanic and is constructed using occult numbers and an occult hexagram.

"The Pyramid represents the past. Note that the capstone of this pyramid is not in place, thus denoting an unfinished situation. This unfinished situation was planned to remain in effect until the Old World Order was destroyed and replaced with The New World Order.

* **Annuit Coeptis** - Announcing The Birth - How does Jesus describe the appearance of Antichrist? Matthew 24:8, says "sorrows" which means birth pangs! The Illuminati Plan is forced by God's Omnipotent power to devise a plan which exactly fulfills His prophecies!

* **Novus Ordor Seclorum** - New World Order

* **Capstone** - Eye of Horus [Lucifer in Egyptian Mysticism] = Eye of Satan

* **Thirteen Steps** = Depravity and Rebellion Number

* **MDCCLXXVI** = 1776 [May 1, Beltaine, Second High-Holy Day of the Year]

Notice that, in the Commemorative Coin, these Roman Numerals have been changed to "6008". This is the Masonic equivalent to this current year in which we are living, "2008". You see, Masons simply add 4,000 years to the current modern year to arrive at the "Masonic Year".

* On **May 1, 1776**, a New World Order was conceived, whose foundation would be built upon depravity and rebellion. Its ultimate leader will be Satan, but his earthly leader will be Antichrist. The earth has been pregnant with this evil world system since this date. The Illuminati considers that the "Birth Pangs" needed to give birth to Antichrist began with World War I and shall end with Antichrist on the world scene at the conclusion of World War III. This Plan fulfills Bible prophecy exactly (Matthew 24:6-8)

* **Hexagram** -- Satanism's most evil symbol, out of which we get the word, "hex" (putting a curse on someone). As you can see, this symbol was constructed so that a perfect hexagram is formed. Marquis said the author of this symbol clearly drew the symbol so it would conform to this hexagram.

For those of us who know the occult and the Illuminati very well, the feature that stands out above all others in this Great Seal symbol is the All-Seeing Eye. This symbol is the single most important symbol of the Illuminati, for it exemplifies the supernatural power they wield from Satan himself. As you can see from this symbol on the back of our One Dollar Bill, the typical All-Seeing Eye is depicted in the form of a pyramid, shown here, hovering over the unfinished pyramid representative of the unfinished project of moving the world into the New World Order and staging their Masonic Christ.

Notice the all-important hexagram interwoven within this One Dollar Bill symbol. The hexagram is the single most evil Satanic symbol in the world, and is the most powerful ritual symbol. Further, when a Satanist puts a circle around a hexagram, he has created a "Demon Trap", a place inside of which a demon can manifest himself in this dimension. By making this symbol on our One Dollar Bill a demon trap, the Satanist literally believes he is allowing demons to come through this dimension at will; since the Illuminati believes money and the financial system is the lifeblood of a nation's existence, they believe they have infused demonism into our nation. This belief is one of the reasons the Illuminati did not place this unfinished pyramid on our One Dollar Bill (1935) until after the privately held and owned Illuminist Federal Reserve System was established (1913). [NOTE: In Seminar 2, ["America Controls The True Flow of History"](#), cover the true story behind **both** Illuminist symbols on the back of our dollar bill].

Therefore, we must thank modern Freemasonry for finally admitting that the Satanic Unfinished Pyramid symbol on the back of the One Dollar Bill is Masonic to the core and Masonic in its origin! In our video series, ["Secret Mysteries of America's Beginnings"](#), we demonstrate that the Invisible Masonic Lodge planned the government of America beginning in the 1580's between Sir Francis Bacon and Queen Elizabeth I (["The New Atlantis"](#)), and that our Masonic Founding Fathers faithfully carried out this plan (["Riddles In Stone"](#)).

Because Washington, D.C., was originally planned by Masons, and the construction done under Masonic leadership, you can see Satanic signs woven into the city by the dozens. We demonstrate this fact very well in our award-winning DVD, ["Riddles In Stone"](#).

Thanks to this commemorative coin, the Masons have just officially verified what their spokesmen vehemently denied as they testified in "[Riddles In Stone](#)".

Our Leaders Worship Pagan Gods

by Fritz Springmeier (Excerpts from his unpublished book, "*Wise as Serpents, Gentle as Doves*")

In the hard to obtain book, *The Hidden Life In Freemasonry*, written for Masons by 33rd degree Mason C.W. Leadbeater, one learns what the upper degrees of Freemasonry can get into...

First, we'll discuss the 30-33 Scottish Rite degrees. This is where it becomes evident that Lucifer is the God of Masonry.

Leadbeater says, "It must of course be understood... the conferring of the Higher Degrees puts certain definite powers in the hands of the recipient." Where does such power come from?

"The 33 degree links the Sovereign Grand Inspector General with the Spiritual King of the World Himself--that Mightiest of Adepts who stands at the head of the Great White Lodge, in whose strong hands lie the destinies of earth--and awakens the powers of the Triple Spirit as far as they can yet be awakened." (*The Hidden Life In Freemasonry*, p.302) Other Masons like Manly P. Hall (33°) and Foster Bailey (32°) have said similar things.

'ILLUMINATI' A MASONIC TERM

Foster Bailey calls the spirits that Masons communicate with the "Illuminati" These spirits initiate these higher Masons into becoming light-bearers themselves. The Illuminati..."assist at the unfolding of the consciousness of the candidate until the time comes when he can 'enter into light' and, in his turn become a light-bearer, one of the Illuminati who can assist the Lodge on High in bringing humanity to light."

These spirits have various Masons. Masons Harold Waldwin Pecival and Lynn F. Perkins claim their books were inspired by spirits. Is 33° Mason Leadbeater talking about Christ?

"The H.O.A.T.F. makes the actual links both with Himself...and also through himself with that Mighty King...This stage combines the wonderful love of Horus the Son with the ineffable life and strength of Osiris the divine Father and Isis the eternal Mother of the world." This initiation connects the Mason with the pagan Egyptian trinity? That's what he says.

The next chapter "*Two Wonderful Rituals*" describes Egyptian rituals to Amen-Ra, and the Blazing Star. They sing a hymn to "Ra, the Logos, the Sun-God, thanking Him for His response..." They take a sacrament to Osirus.

The next ritual described may possibly refer to part of the secret Palladium Rite, as it refers to THE TRIANGLE OF ADEPTS. The Palladium Rite calls its groups Triangles. He talks about chanting invocations, and then angels appearing. Then the Illuminati salute is given to the Angel, where the left arm is placed above as if shielding one from light. (p. 341) Leadbeater indicates that eventually the Temple of the Angels draws 9 orders of angels, "which are not limited to one solar system." (p. 342)

THE MIZRAIM & MEMPHIS RITES

These two rites, although separate in some areas are closely allied. The Rite of Mizraim is mainly Jewish. The secret order of the Priere de Sion is also predominantly Jewish. The B'nai B'rith seems to have taken over some of the Rite of Mizraim influence upon Masonry.

The Rite of Memphis is not just European. Americans, such as 6-term Governor of Wisconsin Lucius Fairchild who was 95°, are Memphis Rite Masons too. The Rite of Memphis has Ormus in their ritual. What or who is Ormus? Ormus (Ormudz) was the supreme God of Mithraism and Zoroastrian thought. It was also the name by which the Priere de Sion allegedly went by from the years 1188-1306. In 1188, when the Ordre de Sion became the Priere de Sion it took the subtitle Ormus, until just before the arrest of the Templar Knights' leaders.....

There are numerous secret "interoffice memo type" papers that indicate that a Satanist, a Luciferian, a practitioner of black magic, or the like has a easy time in Freemasonry, because the upper degrees are controlled by men who will bend any rules to help them. Having a membership card is of limited value in visiting a foreign Lodge. A dues card is important, showing that one's dues are all paid up. Certain questions will be asked, and certain parts of the rituals need to be quoted by memory to satisfy the Lodge one is visiting.

FREEMASONRY HAS LOTS OF SPIN-OFFS

Freemasonry is "directly or indirectly the parent of all modern secret societies, good, bad, or indifferent."--Cyclopedia of Fraternities. One outdated source indicates there are over 600 secret societies in the U.S. utilizing Masonic symbolism, and operating largely under Masonic influence, so that about every third male adult in the U.S. is a member of one or more such societies. The 600 figure is outdated, and the actual number of secret societies has increased by several hundred.

Some of the Masonic spin-offs have become such a part of normal life that the negative reactions of past years toward them are forgotten. Rotary, because of its Masonic control, hostility toward the Catholic Church, and its moral code, "which in almost every particular resembles that of Freemasonry, " was forbidden in some Catholic jurisdictions, and discouraged in others. That was back in the 19th and early 20th century.

THE PALLADIUM RITE

The Palladium Rite created by Albert Pike is totally Luciferian. It is "androgynous." In the larger cities, activities are carried out in the Masonic Temples, which allows women to slip into the Temples without arousing attention. All of this will be strongly denied by the Masonic Lodges.

Members are selected mainly from higher levels of the Scottish Rite, although the members can come from other Rites too. The Palladium Rite has its own budget. Its power over the Masonic Lodge does not derive from being a part of the power structure, but from the careful selection of Masons that participate in the Palladium Rite and their distribution throughout the various Rites of Masonry and their controlling bodies. The Grand Central Directories (and from there to the Supreme Councils, Grand Encampments, Grand Orients, and Grand Lodges) are the nerve centers of Masonry from which orders emanate. The Palladium Rite is popular among those in positions of power. It is said that the leaders of the Palladium Rite are allowed to visit or join the B'nai B'rith lodges.

William Schnoebelen is presently a Christian author. Prior to becoming a Christian, he had been initiated into the Palladium Lodge in Chicago named Resurrection Lodge #13. He describes some about getting the Palladium Degree of Paladin in his recent book *Masonry- Beyond The Light*. That lodge claimed to be derived from the European chapter of the AISB.(p. 186) Higher Masons become Illuminati-- which go by several names one of which is "Masters of the

Temple." A single illumined person is called an Illuminatus.

SUMMARY

This chapter has shown how Freemasonry is the One-World-Religion. Freemasonry has created hundreds of organizations.

Freemasonry itself is the pagan mystery religion, which at the highest level becomes Luciferian worship. It has quietly played the dominant political role in the United States even before independence.
